

SchoolPing messaging system is our new paperless system for sending out notifications to parents, carers and staff.

Parents and carers will receive details of username log in details for SchoolPing and a temporary password, together with a step by step 'Getting Started with SchoolPing' information sheet (please check your email account which you registered with the school).

If you have not yet activated your account, then you will not receive notifications and information so If you have any questions or have difficulty getting started please contact the school and speak to a member of the office team on Tel: 01934 620141.

SchoolPing is a free to download app which sends instant messages straight to your smartphone, wherever you are. All you need is internet connection to stay up to date with all the school's news. The app is available for Android and iPhone and can be downloaded by searching for SchoolPing in the Play Store or App Store.

You can choose how to view your messages, whether it's on your phone, tablet or computer. The SchoolPing app will enable you to receive messages in real-time.

Remember to regularly update your SchoolPing app in order to benefit from the latest performance improvements!

- *For Android users, search for 'SchoolPing' in the Google Play Store on your phone. If you can see an 'Update' button next to the SchoolPing logo then click it to download. If you can see an 'Open' button then you are already using the latest version.*
- *For iPhone users, search for 'SchoolPing' in the App Store on your phone and then follow the same steps as above.*

SchoolPing recommends that Android device users should ensure they update to the latest version, in order to continue to receive support and bug fixes.
