Thursday 12th June 2025

WEMA (West of England Music Association) Individual and group Music Tuition Lessons

Dear Parents/Carers,

I am excited to announce that Ashcombe School will be offering 1-1 and group music lessons in **September 2025**.

These lessons will be offered to KS2 pupils only and will take place throughout the week. The lessons will be **during the school day in lesson time**.

The instruments your child will be able to choose from are:

- Drum Kit
- Flute
- Guitar (Acoustic)
- Guitar (Bass)
- Guitar (Electric)
- Keyboard
- Ukulele

If you would like to register your interest, please complete the form here and WEMA will send through the registration form when it becomes available. This will have details of costs on too: <https://forms.office.com/e/ZvyC7PqLW9>

Once you have been sent the registration form, you will be able to start booking lessons. You will also receive a copy of this letter via school PING where you will be able to press the link to the site.

Unfortunately, instruments are not provided by the school however you are able to hire instruments from WEMA directly. You will be able to add **hire instruments** to your booking when you start the process. *Students who are eligible for Free School Meals will be able to hire these instruments for free.*

The school will provide a Drum Kit/Keyboard so if your child has signed up for these lessons the equipment will already be here. WEMA is also not able to hire out electric or bass guitars so children will have to provide their own. However, acoustic guitars are available to hire.

There is also a 'how to book' information sheet attached which gives you a step-by-step guide on the booking process. If you have any further questions then please don't hesitate to ask, or alternatively, please contact: music@wema.org.uk as they will be able to give you full details on everything regarding lessons and instrument hire. All of this information will also be available to see on our school website.

We are very excited to give the children of Ashcombe this amazing opportunity!

Kind regards

Mrs Penn

Step-by-step on how to book lessons:

wema.org.uk/music-hub/young-people-families/learn-to-play/

HELPING CHILDREN FIND A WAY TO MAKE MUSIC THAT IS RIGHT FOR THEM

We aim to foster a connection with music to help all young musicians to become independently motivated learners. Our experienced teachers set achievable goals, and encourage and celebrate progress. They also use creative and progressive musical learning techniques, provide progress reports, and the opportunity, where appropriate, to take external examinations and receive accreditations. We encourage parents/carers to support their child's music making at home.

✔ Submit registration

You will now be contacted by WEMA via email and be given a breakdown of the lessons you have asked for. They will process your request and then contact the teacher for availability. On the email, you'll find your login information for our tuition portal.

This is where you'll be able to see everything about the tuition, including progress with your application, details about your courses, the lesson schedule and notes from your child's music teacher. Please take a moment to create your account and login, as the 'create password' link will expire in 7 days
