

PARENT MENTAL HEALTH AND WELLBEING AUDIT

Dear Parents and Carers,

We are currently running a whole-school mental health and wellbeing audit with the Mental Health Support Team (MHST) to review wellbeing across the school community.

We'd Love Your Feedback!

We are inviting parents and carers to complete a short survey to share their views. Your feedback will help us understand what is working well and identify areas where further support may be helpful. All responses are confidential.

How the data will be collected?

Visit our after-school Pop-Up!

When: Monday 12th October, after school dismisses.

Who: The MHST trainee EMHPs (Cleva and Ellie) will be there in person!

Come along to:

- **Find out more about what the MHST does.**
- **Ask any questions you have about the school audit.**
- **Complete the survey right there with us by scanning the QR code or take the code home to finish it later.**

We look forward to meeting you'll there.
